Subject: Reg summary table

Hi there,

Stuart, could you please take the lead on and work with Cindy on pulling together a table summarizing/comparing BLM's flaring rule, Utah's oil and gas, U&O FIP and OOOO? The table should have enough level of detail to tell us the difference in each rule for each aspect, not just a yes/no table. Let me know if you have any questions, or feel free to collaborate directly with Cindy. Also, please let me know when you would be able to complete this, as with most things, we will need it sooner than later.

Thanks,

Dec
